

## Open call for test makers - academic year 2022/2023

ELTAM MK would like to invite English teachers who are highly motivated and have experience in test making to take part in the preparations for the English language competitions as **test makers** for primary and secondary schools for the academic 2022/23.

We are looking for:

- 1 test maker for local, regional and state primary school competitions - 5th grade
- 1 test maker for local, regional and state primary school competitions - 6th grade
- 1 test maker for local, regional and state primary school competitions - 7th grade
- 1 test maker for local, regional and state primary school competitions - 8th grade
- 1 test maker for local, regional and state primary school competitions - 9th grade
- 1 test maker for local, regional and state secondary school competitions – 1st year
- 1 test maker for local, regional and state secondary school competitions - 2nd year
- 1 test maker for local, regional and state secondary school competitions – 3rd year

If you think you are the right person for any of these positions send:

- a cover letter to express your interest,
- CV including your experience in test making and
- a sample test for the grade/year you are applying for (Reading and Use of English)

by **Friday, December 16, 2022** at the latest to [president@eltam.org.mk](mailto:president@eltam.org.mk)

Successful candidates will be contacted by mail .

Note: The names of the successful candidates will not be announced publicly in order to keep the test makers' details and the tests confidential.
